Share Your Barn Stories with Us!

Do you have memories of a barn? Perhaps you still have a working barn. We're looking for stories and photos of barns to celebrate these symbols of Alberta's farming heritage.

We'll pick some of your stories to share on our social media and website. Here's the scoop on how to submit your stories and photos:

- Your story can be up to 250 words.
- It can be about barns old or new, currently in use for agriculture, repurposed or abandoned.
- Your photos can be of the barn or where it used to be. Colour or black and white.

Stuck for ideas? Perhaps one of these questions will prompt a memory. 😊

Did the barn host a dance or a wedding? / Did it play a role in branding parties? / Was it home to calves, dogs, cats or pigs? / Did owls nest there? / Did you have a barn-raising party? / Was it repurposed for other uses?

We'd love to read your stories. Please send your submissions to Sarah Leach, Legacy's Stories Coordinator, at: legacylandstories@gmail.com.
