

Paint, Pen & Pixels: Artist Application

Based in Olds, Alberta, Legacy Land Trust Society is devoted to conserving and stewarding lands in and around Mountain View County.

Valued for their ecological, agricultural and heritage significance, these lands are private—opportunities to visit these rich, diverse environments are rare.

Paint, Pen & Pixels invites you to explore and record your creative impressions of one such special place.

THE INVITATION

Paint, Pen & Pixels is an **invitation-only event with limited registration**.

Legacy will choose artists representing diverse media.

If we receive more applications than we can accommodate, we'll keep your information on file and contact you when the next event is planned.

Applications are due Thursday May 16, 2024. We'll contact you by **Wednesday May 22** if your application is accepted.

Once accepted, we'll send you an **Information Package** containing details and location of the event along with a suggested list of things to bring. If you're unable to attend, please contact us as soon as possible so that someone on the waiting list can take part.

THE REQUEST

Legacy is a registered non-profit charity that relies on donations to expand its conservation work.

As a participant in *Paint, Pen & Pixels*, we ask that you contribute a piece of work done on—or inspired by—your day on this conserved land.

Your donation could be prints, cards or original pieces. Perhaps it's a story, some poems, photographs or a video.

Copyright of the work remains with you, but we ask that you give permission to Legacy to use the work or its image on its website, social media and other applications.

Legacy plans to hold a special event later in the year featuring the work you donate. This may include a show & sale, or an auction of the donated pieces.
